To begin chain 234 (multiple of 18) with color 1

Foundation Row: 3 dc in 5th ch from hook, skip next 2 ch, 3 dc in next ch, skip next 2 ch, *[3 dc, ch 3, 3 dc] in next ch (top point), [skip next 2 ch, 3 dc in next ch] twice**, skip next 5 ch, (bottom point), [3 dc in next ch, skip next 2 ch] twice, rep from * across, ending last rep at **, 1 dc in last ch, turn.

Row 1: Ch 4, [3 dc between next two 3-dc groups] twice, *[3 dc, ch 3, 3 dc] in next ch-3 space (top point), [3 dc between the next two 3-dc groups] twice**, skip space between the next two 3-dc groups] (bottom point), [3 dc between next two groups] twice, rep from * across, ending last rep at **, skip next 3 dc, 1 dc in top of turning ch, turn, draw color 2 through last loop, drop color 1.

Rep Row 1, working in the color sequence of 2 rows color 1, 2 rows color 2 carrying the yarn along the one edge – do not cut. After you have completed a total of 6 stripes of color or 3 sets of each color you will then join the ends of the cowl together with a slip stitch to form a circle or tube or you can leave a long tail of yarn when you fasten off and sew the ends together with this end – be careful to keep the yarn that is carried on the edge enclosed in the seam so it doesn't show on the right side. The stitch

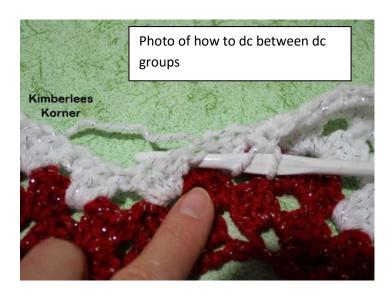

pattern is reversible and looks the same on either side but you will have one side as a right side and one as a wrong side after sewing the ends together. Note: if you choose to crochet the ends together with a slip stitch the seam is a little bulkier – I sewed mine together.

Abbreviations: approx – approximately ch – chain

dc – double crochet rep – repeat
